

Math riddle with pictures

1st class

Each symbol represents one number (1-10).
Try to solve the calculation correctly.

$$2 + \text{bird} = 6$$

$$\text{bird} =$$

$$\text{apple} - \text{bird} = \text{bird}$$

$$\text{apple} =$$

$$\text{apple} - \text{beach ball} = 7$$

$$\text{beach ball} =$$

$$\text{beach ball} + \text{bird} = \text{balloon}$$

$$\text{balloon} =$$

$$\text{balloon} + \text{balloon} = \text{ladybug}$$

$$\text{ladybug} =$$
