

Class of the Month

At one school, one class is chosen as Class of the Month every few months. As a reward, the class earns an extra field trip.

Ruby from Class 7M and Elias from Class 8C are already planning the next trip.

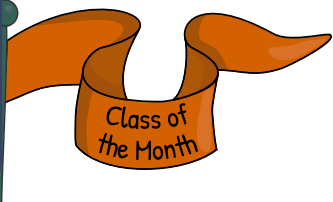

But there are many great classes, and no class can win the title every time.

Can you figure out which class received the title in which month?

- 1. Class 10B was chosen as Class of the Month in October.
- 2. Class 7M was chosen as Class of the Month during the winter.
- 3. Class 8C received the title two months after Ruby's class.
- 4. Ben's class received the title neither in June nor in March.
- 5. Paula's class received the title either in June or in October.
