

## Chess Tournament

At the school chess tournament, the top four players won prizes. David, Tony, Ethan, and Raymond won a cell phone, an MP4 player, a chess set, and a book. Afterwards, each of them celebrated their success with their family.

Can you figure out who won which prize?

- David won second place, and his prize was neither a book nor an MP4 player.
- Tony did not finish in first place, and he was not ranked behind Raymond.
- Raymond did not win the chess set.
- The cell phone was neither the first-place nor the fourth-place prize.
- The MP4 player was won by someone who ranked behind David.
- The fourth-place prize works without electricity.
