

Going to Work

Four brothers travel to work at the same time every day. Each brother has a different job and uses a different way of getting to work.

Can you figure out what job each man has and how he travels to work?

1. The chef goes to work by bus.
2. Thomas goes to work by car, and he is not a professor.
3. The veterinarian rides a bicycle to work, but his name is not Michael.
4. Michael travels either by train or by bicycle.
5. Oscar is neither a doctor nor a chef.
