

Favorite City

Twelve-year-old Harry is arguing with his friends about which city is the most beautiful. Each child wants to spend the summer vacation in their favorite city. Can you figure out which city each child wants to visit and how old they are?

- Astrid is two years younger than the child who wants to visit Dublin.
- Harry does not want to visit London.
- The 11-year-old child likes Paris.
- Charles is one year older than Harry and does not like Oslo.
- Maria is three years older than the child who wants to visit Oslo.
