

On the Farm

Four siblings (Paula, Sarah, Thomas and Peter) are spending their holidays on their grandfather's farm. He gave them the task of feeding the farm animals. Each of them feeds one animal: the cow, the horse, the chickens or the goat.

Can you figure out who feeds which animal?

- Thomas does not feed the goat.
- The girl does not feed the horse.
- Peter is afraid of chickens.
- Paula feeds either the horse or the chickens.
- Sarah is afraid of cows.
- Peter feeds an animal that gives milk.
- Sarah feeds an animal that does not lay eggs.

	Paula	Sarah	Thomas	Peter
the cow				
the horse				
the chickens				
the goat
