

The Favorite School Subject

Each of the four friends – Lily, Paul, Monica and Ryan – has a favorite school subject: Math, Science, English or History.

Can you figure out which subject each of them likes best?

1. One of the girls likes History more than any other subject.
2. Neither Monica nor Ryan enjoys Math.
3. Ryan's favorite subject is either English or History.
4. Lily enjoys Science, but it is not her favorite subject.
5. One of the boys likes Math more than the others.
