

Valentine's Day

Sean, Brad, Marcus, David and Noah gave Valentine cards to the girls in their class. Nora, Anna, Yvonne, Sarah and Janine each received one Valentine card, but they do not know from whom. Can you figure out who likes which girl?

1. Brad did not give Nora a Valentine card.
2. Janine knows that Marcus did not give Sarah a Valentine card.
3. David gave Janine a Valentine card.
4. Sarah knows that she received her Valentine card from either Marcus or Sean.
5. Noah could not decide between Yvonne and Nora, and in the end, he gave the Valentine card to another girl.
