

Christmas

Aaron, Fred, Elsa and Jenny are excited about the Christmas presents already lying under the Christmas tree. Write the names of the children and the presents they will receive for Christmas in the table.

1. Fred's present is on the far left under the Christmas tree.
2. Elsa is getting a doll, which is directly next to the book.
3. The drum is on the far right, next to the teddy bear.
4. One of the boys is getting the book, and one of the girls is getting the teddy bear.
