

At the Library

Carl, Nina, Sylvia and Robert are at the library. They borrowed four books: In the Forest, The Little Train, Chocolate Factory and The Little Witch. Can you figure out which book each child borrowed?

1. Nina did not borrow „In the Forest“.
2. The book Carl borrowed is not about the forest.
3. Sylvia is not reading about the witch.
4. One of the boys is reading „The Little Train“.
5. Robert is reading „Chocolate Factory.“
