

Find Everyone's Place

Cut out the pictures below. Then read the clues and glue the pictures into the boxes in the correct order.

1. The mother is in the first place.
2. The girl is not standing next to the mother.
3. The boy is not standing next to the father.
4. The father is standing directly to the right of the girl.
5. The boy is standing to the left of the girl.
