

Where Is Each Animal?

Cut out the pictures below. Then read the clues and glue the pictures into the boxes in the correct order.

--	--	--	--

1. The elephant is to the left of the lion.
2. The gorilla is not in the last place.
3. The bear is standing directly to the right of the gorilla.
4. The lion is not standing next to the bear.
5. The gorilla is to the right of the elephant.
