

Line Them Up

Cut out the pictures below. Then read the clues and glue the pictures into the boxes in the correct order.

--	--	--	--

1. One of the three-legged monsters is in first place.
2. The five-legged monster is not in the last place.
3. One of the three-legged monsters is between the five-legged monster and the monster with wings.
4. The monster with wings is to the right of the five-legged monster.
5. The one-eyed monster is directly to the left of the monster with wings.

The yellow monster, the green monster, the orange monster, the blue monster
