

## Sports

Bruno, Hannah, Nina and Frank are in fourth grade and enjoy playing sports. Each of them chose a different sport: basketball, soccer, baseball or swimming.

Can you figure out which sport each child chose?

1. Bruno's sport begins with the same letter as his name.
2. Nina does not play a sport with a ball.
3. Frank hit two home runs this season.
4. In her sport, Hannah has to kick the ball with her foot.
