

Bicycles

Four children - Ella, Olivia, Mark, and Chris - have new bicycles. Read the clues and complete the table. Can you figure out who has the yellow bicycle?

1. One child has a blue bicycle with a yellow seat.
2. Ella's seat is white, but she does not have a green bicycle.
3. One of the boys has a red bicycle with a black seat.
4. Olivia and Mark have seats of the same color, but neither of them has a red bicycle.
5. Neither Chris nor Olivia has a yellow bicycle.
6. The green bicycle does not belong to the boy.
