

## At the Movie Theater

Four children – Mia, Isla, Eric, and Daniel – went to the movie theater last week. Can you figure out which movie each child watched and on which day?

1. Isla went to the movie theater two days after Mia.
2. The movie The Sea was shown on Monday, but Mia did not watch it.
3. Daniel did not watch The Wizard of Oz.
4. One of the boys watched The Last Cowboy on Wednesday, but it was not Eric.
5. Mia watched a romance movie.
6. Cloud 7 was shown neither on Wednesday nor on Thursday.
