Math online school

Calculate step by step and show your work on a number line!

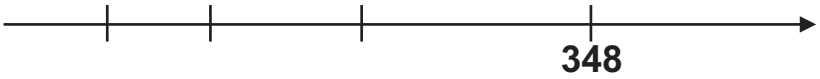

455 - 132 = 455 - 100 - 30 - 2 = _____

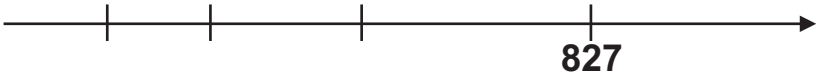

685 - 312 = _____

348 - 224 = _____

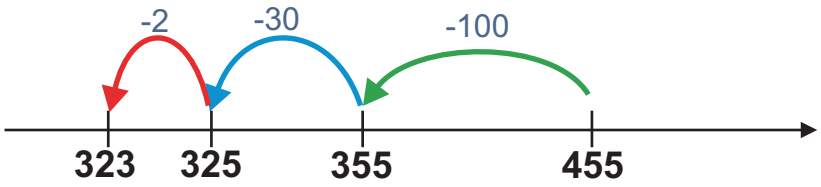

596 - 265 = _____

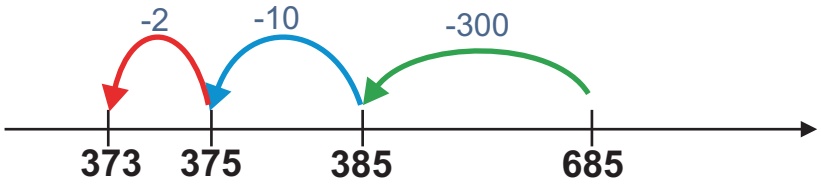

827 - 413 = _____

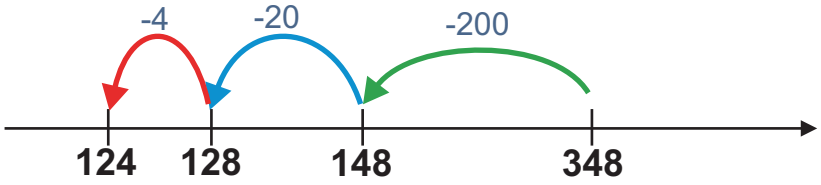

Math online school

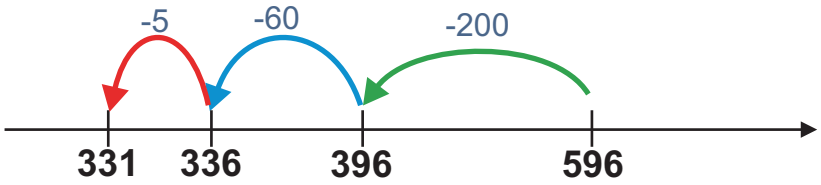

455 - 132 = 455 - 100 - 30 - 2 = 355 - 30 - 2 = 325 - 2 = 323

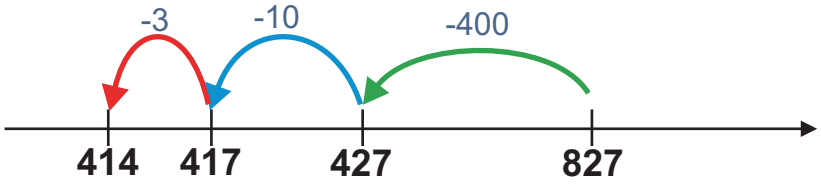

685 - 312 = 685 - 300 - 10 - 2 = 385 - 10 - 2 = 375 - 2 = 373

348 - 224 = 348 - 200 - 20 - 4 = 148 - 20 - 4 = 128 - 4 = 124

596 - 265 = 596 - 200 - 60 - 5 = 396 - 60 - 5 = 336 - 5 = 331

827 - 413 = 827 - 400 - 10 - 3 = 427 - 10 - 3 = 417 - 3 = 414
